

## Carnebello Dry Food Poultry & Potato

### Dry Food

### Grain-free complete feed for adult dogs

Our Eggersmann Carnebello Dry Food Poultry & Potato is a grain-free, tasty complete food that is ideal for nutritionally sensitive dogs thanks to the complete absence of grain, soy, artificial colors and preservatives. The wholesome croquettes contain protein-rich poultry and filling potatoes, which provide your dog with animal protein and all the important nutrients. To support intestinal activity and a balanced intestinal flora, the grain-free Carnebello Dry Food Poultry & Potato also contains apple pomace rich in pectin, a natural fiber with prebiotic properties. Our tasty recipe is refined with valuable herbs, so with our dry food you offer your dog a meal that is not only delicious but also healthy. Our Eggersmann Carnebello Dry Food Poultry & Potato is suitable for all adult, nutritionally sensitive dogs with a medium energy requirement thanks to its high acceptance and excellent tolerability.
